May 3, 2010

Dear Families,

Hope this letter finds you in great spirits, especially after such a beautiful summer weekend!

As we approach the final months of the school year and its many community-wide events (graduations, field day, evening activities, etc.), I wanted to take a moment to remind you of the Village of Voorheesville's parking rules and regulations. They are as follows:

Parking Space, Off-Street – *For purposes of this law, off-street parking space(s) shall be in conformance with Article IX of the Zoning law, together with properly related access to a public street or alley. Such spaces shall be designated, maintained and regulated so that no parking or maneuvering incidental to parking, shall be on any public street, walk or alley, and so that any motor vehicle may be parked and may exit without moving another vehicle.*

Though parking can be at a premium, please make use of the parking lot and the lots available at St. Matthew's Church. Due to Village ordinances and the inconveniences put upon our neighbors, we ask that you do not park along the street, as some residents have expressed concern.

During evening and large group events, we will be putting the chain across the entrance to the circle lot, as this area must stay clear for both the transportation department and overall safety reasons. We ask that when this chain is up that you do not park in front of the chain or along the circle, as it poses a severe safety threat, should emergency vehicles need to enter the school.

We thank you for your cooperation, so that we may continue to have such positive school events, without compromising our safety of our relationship with the surrounding community.

Have a great week!

Thomas B. Reardon
Principal
